To whom it may concern,

Sir James Dunn Public School had Errol Lee as a musical presenter in December of 2019 (pre-covid-19). Errol ran individual classroom workshops and had an impact on every child present. Through music and dance, Errol Lee was able to captivate students and connect at a deep level. His messaging during his presentations focused on caring at all levels – individual, family and community. He really did an amazing job connecting all 3 areas with personal stories and his musical lyrics. He also performed a family concert and the feedback from parents was amazing. It was nice to see parents singing and dancing with their kids and kids teaching their parents.

Since then, Errol has continued to connect with his SJD family. In June of 2020, he was part of our first Virtual Graduation with a great video message to our grads. He has also been part of our virtual Character Education Awards.

The staff and students are excited about having Errol connect with us again this spring for a virtual performance.

As a Principal, I found Errol a pleasure to work with and he often went above and beyond expectations in his presentations.

Sincerely,

Dr. Tarmo Poldmaa

Principal

Sir James Dunn Public School
